

Vision statement:

We envision a healthy, Bible-believing, and compassionate church where the core doctrines are proclaimed through preaching, teaching, support of missions, and various outreach ministries.

Mission statement:

To be a local church which is Biblical in teaching and consistently demonstrates:

- a compassionate heart for people who have yet to come to faith in Christ
- a shepherding heart to guide new believers into mature believers
- a Godly calling to minister to mature believers so they can continue their spiritual growth
- a Spirit led duty to make disciples who are equipped to share The Gospel with others

We believe in the core doctrines as essentials of the faith, including:

- Christ as fully God and fully man
- Salvation by grace alone through faith alone
- Inerrancy and sufficiency of the Holy Scriptures
- The Virgin birth of Christ
- The fully atoning crucifixion of Christ
- The physical resurrection of Christ (along with His ascension and eventual return in glory)
- The doctrine of the Trinity (Father, Son, and Holy Spirit; God is fully “3” and fully “1”)

We extend a spirit of grace and love to our brothers and sisters in Christ from other Bible-preaching churches of like precious faith.
